Format of the Sessions

The seminar is built around four independent sessions:

- **Session # 1:** Are MSP and MPAs effective for conservation?
- **Session #2:** MSP and its potential contribution towards blue economy
- **Session #3:** Engaging the community to implement MSP at a local scale
- **Session #4:** MSP at a regional scale: the challenges of transboundary approaches

Each session will last 50-60 min and include:

1)	an introduction of the subject of the round table and of the speakers/panelists by the moderator	10 min
2)	presentation of 2 case studies (1 from SEA and 1 from EU)	10 minutes per speaker = 20min altogether
3)	dialogue between the invited speakers and panelists	20 min
4)	conclusions by the moderator	5-10 mins
