## ABOUT MTCP

The Malaysian Technical Cooperation Programme (MTCP) was initiated at the First Commonwealth Heads of Government Meeting (CHOGM) for Asia Pacific Region held in Sydney in February 1978. It was officially launched on 7th September 1980 at the 2nd CHOGM in New Delhi, India to signify Malaysia's commitment to South-South Cooperation, in particular Technical Cooperation among Developing Countries (TCDC). The MTCP emphasises the development of human resources through the provision of training in various areas which is essential for a country's development. These areas include diplomacy and diplomatic practices, economy, good governance, education, tourism, environment, social development, halal industry, safety and security as well as technology, among others. Since its inception in 1980, over 38,000 participants from the 144 countries have benefited from the various programmes offered under the MTCP. For more information visit

- MTCP Official Portal: <https://mtcp.kln.gov.my/>
- MTCP Official Facebook Page: <https://www.facebook.com/MTCPMalaysia>

## OBJECTIVES OF THE MTCP

- To share development experiences with other developing countries.
- To strengthen bilateral relations between Malaysia and other developing countries.
- To support South-South Cooperation (SSC); and
- To promote Technical Cooperation among Developing Countries (TCDC)

## ABOUT MIMA

The Maritime Institute of Malaysia (MIMA) is a policy research institute established in 1993 by the government to study issues related to Malaysia's interests at sea and serves as the national focal point for maritime research. MIMA assists government agencies by providing expertise in national maritime policy planning and implementation through advisory and consultative services besides promoting free exchange of ideas on maritime matters. MIMA's network is extensive and its collaboration with specialists worldwide contributes significantly in promoting maritime affairs. MIMA's policy research is conducted through its five centres.

For detailed information, please visit our website: <https://www.mima.gov.my/>

## TARGET COUNTRIES

**Commonwealth member countries**

## COURSE CONTENTS

The sessions during (7) days programme will be into several topics:

- Introduction to Kunming-Montreal Framework
- Coastal Ecosystems and Resilience
- National Policies for Marine Conservation
- Site visit to Mangrove restoration project
- Site visit to Eco Park
- Site visit to Department of Fisheries (DOF)
- Strategic action plans for participants to integrate Kunming Montreal commitments

## COURSE METHODOLOGY

- The training will be conducted through a combination of presentations, interactive discussions, group activities, case studies, and site visits to ensure practical and engaging learning.

## COURSE OBJECTIVES

- Enhance understanding of the Kunming-Montreal Global Biodiversity Framework and its implications for marine conservation and coastal resilience
- Explore best practices in coastal and marine management, with a focus on habitat restoration, biodiversity protection, and climate resilience.

- Develop strategic action plans for participants to integrate Kunming-Montreal commitments into national policies and coastal management practices.
- Strengthen international collaboration through the sharing of experiences and strategies for effective marine conservation.

## ELIGIBILITY

- Senior and middle level of officials or industrial practitioners from maritime industry or related agencies responsible in relevant ministries, departments, and organisations.
- Working directly in the maritime industry operation and management.
- 25 to 50 years of age.
- Fluent in English.
